Subject: Kudo's Message

I recently spoke with Assistant Chief (RET) Jeff Payne who informed me of an incident that you all ran at Bethel Baptist Church on February 9. This involved a female patient that had fallen and required your care. Per Assistant Chief Payne, the patient was extremely complimentary about the care and professionalism of the crew and, in particular was additionally impressed with the extraordinary extra effort that FF Jaiden Bradley went to check on her later after the call.

Your actions are precisely those that which meet the intent of the “Three A’s” and I compliment you all for taking such good care, leaving a positive lasting impression and for the extra steps to check on the patient.
Thanks so very much!
