Would you like to register as a new user?

Create a Profile

Upon log in, you will see "My Dashboard"

My Dashboard shows **all permits issued on your account.**

You search your permits by name, number, street, type, and date via the filter.

Once you select the permit you would like to request inspections on, click either the permit number or View Details to open it.

"Pending Task" indicates there are inspections ready to request.

Opening the permit will show you a summary of permit information on the upper half of the page.
