

TALKING POINTS ON EIDL ADVANCE

- On March 29, 2020, following the passage of the CARES Act, the SBA provided small business owners and non-profits impacted by COVID-19 with the opportunity to obtain up to a \$10,000 Advance on their Economic Injury Disaster Loan (EIDL).
- **To ensure that the greatest number of applicants can receive assistance during this challenging time, the amount of the Advance will be determined by the number of the small business' pre-disaster (i.e., as of January 31, 2020) employees. The Advance will provide \$1,000 per employee up to a maximum of \$10,000.**
- The Advance is available as part of the full EIDL application and will be transferred into the account the applicant provides shortly after they submit the application.
- The small business may be eligible for another loan program, the **Paycheck Protection Program**, which is available through participating lenders.
