YORK-There's a new special-event venue in town to assist party planners with creating memorable and customizable events. A VENUE 4 ALL OCCASIONS offers 3,000 square feet of venue space for celebratory occasions such as weddings, birthdays, baby showers, corporate events, and more.

According to a Facebook post made by York County Economic & Tourism Development on December 6, a ribbon cutting was held to welcome the new business to 119 Village Ave., Suite A in Yorktown.

A statement on the company's website reads: "We are located in the heart of Yorktown near the Kiln Creek neighborhood. Our 3,000 SQF blank canvas awaits the transformation of wedding ceremonies, intimate rehearsal dinners, lavish receptions, corporate events, birthdays, bar/bat mitzvahs, baby showers, graduation celebrations, and much more.

"We take pride in ensuring that every detail is flawlessly executed. Turn any vision and/or idea into an iconic event at VENUE 4. Surround your guests with a setting of timeless elegance. Graciously host your life's most important day at VENUE 4 ALL OCCASIONS; Where dreams do come true, where happily ever after is how every event ends, and where fairy tales are a way of life."

According to the new venue's website, its foyer boasts polished porcelain floors and royal crystal chandeliers, two handicap accessible restrooms, a large prep kitchen, bridal and groom suites, ample parking, nearby hotels, and immediate access to the Interstate 64.

The new venue is equipped to hold wedding ceremonies, rehearsal dinners, lavish receptions, graduations, business functions, art shows, memorials, celebrations of life, charity galas, retirement parties, community events, and more. The venue offers 60" round banquet tables, 6' rectangular tables, and 100 chairs.

Though alcoholic beverages are permitted on site, all drinks must be served by a licensed ABC bartender that is approved by the venue. Clients are responsible for making arrangements with a licensed bartender and obtaining a one-day ABC license from the ABC Board for the event. Clients are responsible for their guests' alcohol consumption and conduct. The bar may be open for a period of six hours and must be closed by 10pm.

Security guards are necessary for events that serve alcohol and are available to hire for an additional fee through VENUE 4 ALL OCCASIONS. Two security guards are required for events that host more than 100 guests.

Clients are welcome to bring in licensed and insured caterers, DJs, florists, photographers, and videographers. For those who need guidance, the venue has a preferred vendor list to assist clients who need a starting point.

One-hour rehearsals are included in all facility rentals. Rehearsal times and dates will be scheduled with the venue's management team and are offered in one-hour slots.

Though the venue's website doesn't mention how much facility rental costs, it does require a \$300 refundable security deposit on all reservations. The venue can accommodate up to 225 guests.
