Subject: [EXTERNAL] Dominion Energy - King's Creek Solar Project

Good afternoon,

With our recent announcement regarding approved solar projects, we will be informing residents near the King's Creek Solar site about the project. Letters will be mailed today, Tuesday, April 25th, to residents and property owners who are within one (1) mile of the site. Please see a copy of the letter and the mailing list attached to this email.

Prior to site activity happening toward the end of this year, the project management team and I will do a project overview presentation for the York County Board of Supervisors at a scheduled meeting.

Please see the official Dominion Energy press release below regarding approved solar and energy storage projects.

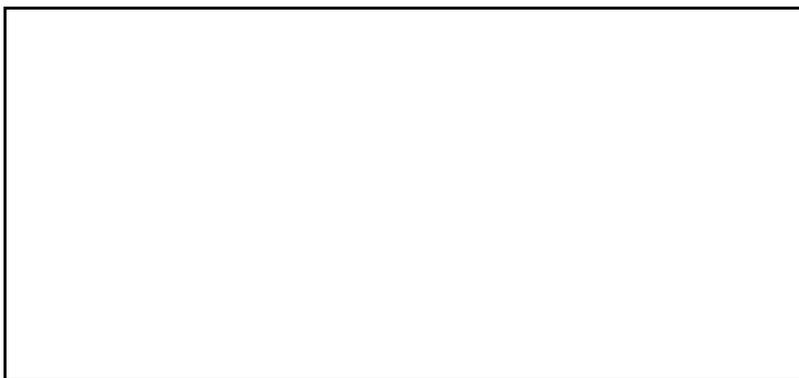

Please let me know if you have any questions regarding King's Creek Solar.

New Solar and Energy Storage Projects Approved for Dominion Energy Virginia Customers

- *Projects exceed 800 megawatts, enough clean energy to power 200,000 Virginia homes*
- *Customers will see more than \$250 million in fuel savings in first 10 years of operation*

RICHMOND, Va., April 14, 2023 /[PRNewswire](#)/ -- The Virginia State Corporation Commission (SCC) approved today nearly two dozen new solar and energy storage projects to help meet the growing needs of Dominion Energy Virginia customers.

Once in operation, the projects will generate more than 800 megawatts (MW) of carbon-free electricity, enough to power about 200,000 Virginia homes at peak output. Because renewable

energy does not require fuel, the projects are expected to deliver more than \$250 million in fuel savings for customers during their first 10 years of operation.

"This is another big step forward in delivering reliable, affordable and cleaner energy to our customers," said Ed Baine, President of Dominion Energy Virginia. "These projects will bring jobs and economic opportunity to our communities, and they will deliver fuel savings for our customers. That's a win-win for Virginia."

The SCC approval includes nine solar projects and one energy storage project – totaling nearly 500 MW – that will be owned and operated by Dominion Energy Virginia. Two of the projects – Kings Creek Solar and Ivy Landfill Solar – will be built on previously developed land. Ivy Landfill Solar will be the company's first solar project developed on a former landfill.

The SCC also approved power purchase agreements (PPAs) with 13 solar and energy storage projects – totaling more than 300 MW – that are owned by independent developers.

Construction of the projects is projected to support thousands of jobs and more than \$920 million in economic benefits across Virginia. Additional details about the utility-owned projects are below:

Bridleton Solar	20 MW	Henrico County
Cerulean Solar	62 MW	Richmond County
Courthouse Solar	167 MW	Charlotte County
Ivy Landfill Solar	3 MW	Albemarle County
King's Creek Solar	20 MW	York County
Moon Corner Solar	60 MW	Richmond County
North Ridge Solar	20 MW	Powhatan County
Racefield Solar	3 MW	James City County
Shands Storage	15.7 MW	Sussex County
Southern Virginia Solar	125 MW	Pittsylvania County

The SCC's approval today will add approximately \$0.38 to the average residential customer's monthly bill, with construction of the fuel cost-free renewable projects expected to be complete by 2025. Dominion Energy Virginia's rates remain below the national, mid-Atlantic and east coast averages.

Dear Neighbor,

Dominion Energy is pleased to inform you that we have obtained the proposed Kings Creek project located off Penniman Road east of Williamsburg in York County. This project is important to meeting the Commonwealth of Virginia's and Dominion Energy's customer-focused, clean-energy goals, and it will have a positive effect on York County's economy.

Construction is scheduled to begin in the first quarter of 2024. The Dominion Energy project team is committed to keeping our neighbors and community informed as we complete the evaluation of the proposed site. We will be adding information to our website with updated information.

Should you have any questions, please contact virginiasolar@dominionenergy.com.

Sincerely,

Crystal B. Bright

Pirates Invade Yorktown this Weekend!

Yo ho ho... All hands are on deck for a fun-filled, family-friendly weekend as Pirates Invade Yorktown! Enjoy a slew of activities like concerts, blacksmith demonstrations, cannon firings, puppet shows, pirate school, and even a [treasure hunt](#) on Saturday (4/29) and Sunday (4/30) from 10 a.m. to 5 p.m.! [See the full schedule](#). **Events are rain or shine.** However, **inclement weather** may cause some activities to be cancelled. Call the event weather hotline at 757-890-3520 to learn if there are changes to this weekend's agenda.

On Saturday from 8 a.m. to 3 p.m., more than 60 vendors will be at Riverwalk Landing for the pirates-themed [Yorktown Market Days](#). Fresh produce, pastries, pies, coffee, artwork, and more available to

purchase. Buy some grub and then meander around town to partake in this one-of-a-kind adventure!

Improving Walkability Throughout the County

Sidewalks are springing up in certain strategic locations, with more coming soon. Currently under construction, the sidewalk at the Tabb Library allows pedestrians to cross Rt. 134 to the facility and the Victory Family YMCA. A sidewalk along Big Bethel Road near Tabb Elementary School has been poured and awaits installation of the VDOT crosswalk. In the upper County, work is underway for the path along Old Williamsburg Road. And the final portion of the brick walk along Zweybrucken is nearing completion in the historic area. Other projects are shown on the [Capital Improvement Project page](#), updated regularly.

Master Gardener Plant Sale Coming Soon

Next Saturday (5/6) from 8 a.m. to 12 p.m., garden enthusiasts are invited to the Annual Spring Plant Sale! Located at the Learning Garden (301 Goodwin Neck Road), this popular event offers the opportunity to pick up a variety of healthy plants at reasonable costs. Flowers, shrubs, trees, Yorktown Onions,

and more may be purchased. Helpful hint: Bring a wagon, wheelbarrow, or box for your items. Cash or check only!

Speaking of Master Gardeners....Applications Now Being Accepted

Got a green thumb and want to share your knowledge with others? Become a Master Gardener! These folks are a vital resource to the York/Poquoson Cooperative Extension office teaching classes, answering horticultural questions, presenting programs, and diagnosing plant diseases. This is a 12-week virtual course held August through November. For more information and to apply, visit the [website](#).

Explore History and the Great Outdoors at New Quarter Park

Do you know about the Civil War battles that happened all around York County and Williamsburg? Visit New Quarter Park (1000 Lakeshead Drive) next Saturday (5/6) for a free Battle of Williamsburg Walk & Talk from 10 a.m. to 12 p.m. As part of the program, an infantryman will be standing his post ready to discuss the battle and the medical equipment available during that time. Please [register](#) by Thursday (5/4).

Additional Notes for the Week...The **Yorktown Library Reopening Celebration** is Sunday (4/30) from 1 to 4 p.m. Come tour the facility, let your kids enjoy open play, enjoy live music, and more! The **Board of Supervisors** will consider adoption of the FY2024 Budget at Tuesday's (5/2) meeting at 6 p.m. in York Hall (301 Main Street). **Safety Town** registration opens Monday for residents. Registration information available [online](#).

Resilience Week Activities: The first week of May each year is a time to learn new skills to help navigate hard times and improve the quality of life.

Resilience Week
Reset. Reconnect. Recharge.

**MOST EVENTS ARE FREE AND OPEN TO THE PUBLIC
*SOME EVENTS MAY REQUIRE REGISTRATION**

Saturday, April 29 Movies in the Park: <i>Fern Gully: The Last Rainforest</i>	Sunday, April 30 Fun Walk	Monday, May 1 Pickleball Try-it Session *Family Yoga
