Re: Response to letter dated June 19, 2024

Dear Mr. Hetzler:

I have received your correspondence of June 19, 2024 in response to my letter dated June 5, 2024 to Sherri D. Story. In accordance with the procedures of Article 10 (Sections 10-2 and 10-3) stated in the County's Purchasing Ordinance No. 23-3, this letter is the final decision of the Purchasing Agent concerning the initial determination of Non-Responsibility of SBMA.

Upon review of your response, I have concluded that my initial determination of non-responsibility is now moot. I base this on the fact that the School Board is no longer considering the professional development services that were contemplated by the SBMA contract. At the time of making the initial determination of non-responsibility, although training was delayed, the contract was still under consideration. Therefore, I rescind the determination that SBMA is non-responsible.
