

Fall 2024

*This new central location will allow CDR to better serve the community and help a growing number of families and children.*

*The impact of this building will be far-reaching — and change the trajectory of the lives of young children and their families for decades to come.*

## BUILDING STRONGER FUTURES TOGETHER

*A Capital Campaign to better serve the babies, young children, and families in our community and throughout Virginia*

### Groundbreaking Held for CDR's New Home!

Child Development Resources held the groundbreaking ceremony for its new home at 312 Waller Mill Road in Williamsburg, on September 25, 2024.

Over 100 friends of CDR were in attendance to celebrate the beginning of the construction which will help CDR serve even more children and families.

We are also very pleased to announce that as of October 1, we have raised \$8.935 million toward our Capital Campaign goal.

*Thank you to the CDR board, past and present staff members, local educators, community partners, members of the community, and government officials who were able to attend the ceremony.*

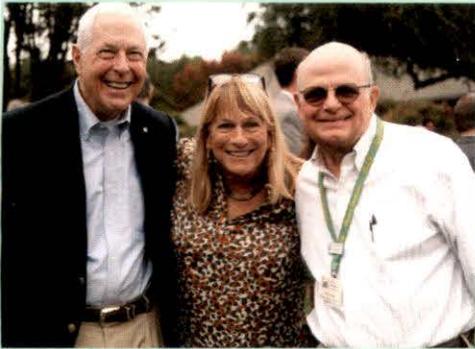

**And especially to you, our donors, who made this happen.**

Now that our campaign is public, we will provide you with frequent updates on our campaign and progress of our building through email and digital media. We will continue to send periodic news to you in print as well.

## Groundbreaking *continued*

Longtime supporters joined old and new friends to witness the groundbreaking ceremony for CDR's new home.
