

COUNTY OF YORK

MEMORANDUM

DATE: July 11, 2025
TO: York County Board of Supervisors
FROM: Mark L. Bellamy, Jr., County Administrator 
SUBJECT: Senior Transportation Service Update

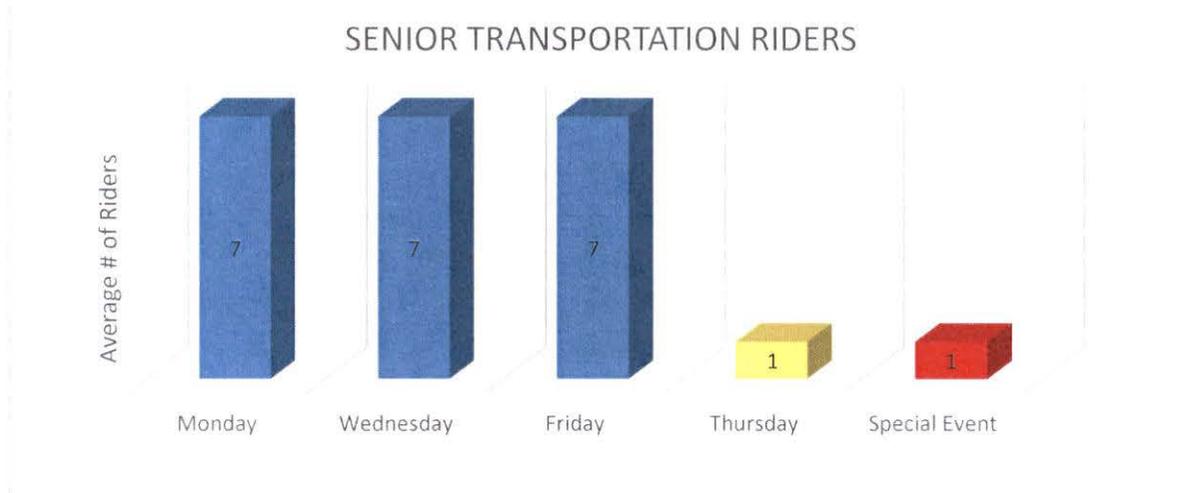

We are pleased to provide this annual update on the Senior Transportation Service, which launched on April 15, 2024, to support participants of the Senior Center of York by offering transportation to and from the scheduled activities. The service operates on Mondays, Wednesdays, Thursdays, and Fridays, as well as Special Events.

Participants may continue to purchase a \$25.00 punch card, which provides ten round-trip rides at a cost of \$2.50 per trip. Currently, two (2) work-as-required drivers serve between seven and eight participants. Recruitment efforts for volunteer drivers are ongoing through flyers distributed across the County and targeted posts on Facebook.

Participants' feedback remains overwhelmingly positive. Riders consistently commend the drivers for being friendly, punctual, and helpful, noting that they feel safe and well cared for during their trips.

The Senior Transportation Service continues to be a valuable resource for the Senior Center of York, enhancing access to programs and activities through dependable and affordable transportation.
