HAMPTON & PENINSULA HEALTH DISTRICTS' INITIATIVES

WHAT'S NEW?

Three HPHD Staff members, Tes La Dieu, Amy Wagner, and Mariel Waller had abstracts accepted for the NAACHO 360 Conference, "Bright Lights, Bold Ideas: Shaping the Future of Public Health Practice", in Anaheim, CA.

HPHD staff have been in the Virginia Peninsula Regional Jail (VPRJ) providing health literacy education to 50 incarcerated individuals in an 8-week course. Topics include nutrition, making doctor's appointments, health insurance, health technology/apps, REVIVE!, and more!

HPHD Women, Infants, and Children (WIC) supports the Breastfeeding Enhancement Initiative with our Breastfeeding Peer Counselor (BFPC) Program, which connects moms with trained breastfeeding staff who have lived experience. These peer counselors provide guidance, encouragement, and culturally sensitive support in both one-on-one and group settings. WIC also provides lactation support tools, breast pumps, breastfeeding education, and access to International Board-Certified Lactation Consultants (IBCLCs)!

August 1-7 is World Breastfeeding Week!
